

ASAP Global Alliance Summit

Coronavirus (COVID-19) Update

As stated in our previous email, ASAP continues to monitor the COVID-19 outbreak. Over the weekend there were a number of reports of more cases in the US including two in Florida. Local, state, and national governments continue to indicate that the risk to the general American public is low. Visit <http://www.floridahealth.gov/diseases-and-conditions/COVID-19/> to follow more updates in Florida and the [CDC](#) for global updates.

The 2020 ASAP Global Alliance Summit *will take place* in Tampa, Florida, March 16–18.

The health, safety, and well-being of our conference attendees is our highest priority. We will continue to monitor this evolving situation and will communicate updates as they develop. Please contact Jennifer Silver at JSilver@strategic-alliances.org should you have any further questions. We look forward to hosting everyone in Tampa!
