

IMPORTANT INFORMATION Regarding the ASAP Global Alliance Summit

Given the recent global health crisis with COVID-19 (Coronavirus) and the fact that the health, safety, and well-being of our conference attendees is our highest priority, we have made the very difficult decision to reschedule the Summit to **June 23–25**. With the schedule in mind, the pre-conference workshops will take place on June 23 and the first full day of conference programming will begin June 24. This decision was not taken lightly and was based on a large number of speaker and attendee cancellations over the last 48 hours.

Our goal is to retain the current outstanding conference agenda, and accordingly we are reaching out to all speakers to confirm their continued participation in what is shaping up to be an excellent program. We are hopeful that we can count on your support in attending the Summit in June and placing the new conference dates on your calendar.

We have been in contact with the hotel regarding attendee reservations at the Renaissance. The hotel will take care of cancelling your reservation and you will receive an email cancellation notification from the Renaissance. The hotel will be setting up new block of rooms at our discounted rate of \$219.00+ per night. Once ASAP receives the dedicated booking link, we will be sending it out and it will be posted on the conference website.

Thank you for your understanding and support as we shift our sights to a June conference. Please direct all questions to Jennifer Silver at JSilver@strategic-alliances.org. We look forward to seeing everyone in June!
